

## **HAZWOPER - Hazardous Waste Operations and Emergency Response 29 CFR §1910.120**

### **8 -Hour HAZWOPER REFRESHER**

Every year after the initial training requirement has been met, workers are required to take an 8-hour HAZWOPER refresher course. This refresher course is designed to meet the annual training requirement for hazardous waste operations and emergency response workers. OCG can tailor your Refresher training with topics relevant to the operations at your facility.

Respirator Fit Testing can be completed for an added cost of \$40 per person.
