

OCG Instructor
Erasmus Yarrito, Jr –

Erasmus is a former Sr. TCEQ Waste Program Investigator with over 10 years' experience in Region 15. He also has over 15 years' experience with International Water Issues as a former member of the Rio Grande Watermaster Program of the TCEQ where he served just over 6 years as the Rio Grande Watermaster. Prior to his employment with TCEQ he gained experience with International Water Issues as an employee of the International Boundary & Water Commission US Section, working on international water issues with the Rio Grande River in Texas and Colorado River in Arizona.

Recent work includes being an instructor for traffic ticket dismissal in Texas and program coordinator/owner of an on-line defensive driving website.

Erasmus also is a certified notary public, income tax specialist and licensed insurance agent.
